November 2025

Good day! Board elections were scheduled for the November meeting and instead of elections, the members present decided they wanted the current Board Members (except for Jim Ball who has moved out of the area) to continue on the Board for another two-year term. Three members volunteered to start attending Board meetings to figure out if they want to become members of the Board and what roles they could play.

Next month we will hold our annual Holiday Party on December 9th. Once again we will have a potluck. From the list of people who signed up, it looks to be a very tasty meal. Speaking of tasty meals, We hope you all have an enjoyable Thanksgiving.

For me, a landscape does not exist in its own right, since its appearance changes at every moment; but the surrounding atmosphere brings it to life – the air and the light which vary continually. For me, it is only the, surrounding atmosphere which gives subjects their true value.
