October 2025

Greetings! The year is winding down and it's time to start thinking about renewing your Guild memberships. It's also time to think about who you might want to serve on your Board of Directors; elections will be held at the November 11th meeting. Unfortunately, we were not able to attend the October meeting because Judy was in the hospital, so the meeting summary in this addition is somewhat abbreviated. Here are a couple photos from the Fall Member Show:

Artists today think of everything they do as a work of art. It is important to forget about what you are doing.. then a work of art may happen.

OCTOBER MEETING SUMMARY

When you buy something from an artist you're buying more than an object. You're buying hundreds of hours of errors and experimentation. You're buying years of frustration and moments of pure joy. You're not buying just one 're buying a piece of a heart, a piece of a soul...a small piece of someone else's life.
